APPLICATION:

08/215031

Dear Applicant / Attorney of Record:

In response to your request for a Corrected Filing Receipt and/or Update of File in the System, we regretfully are unable to comply with your request because:

- (☒) Office of Initial Patent Examination error.
[No indication of what is to be corrected]
- () If the case is not ABANDONED [this does not mean that the case is not Abandoned in the system] from the parent file, Applications Division can not process the file to show the change on the face of the file. Abandoned files that are parent cases, must be requested from the Group Art Unit to which the case is assigned. Applications Division cannot order these cases.
- () Applications Division cannot order a Parent File to change a Filing Date on the face of an application. The parent file must be ordered from the Group Art Unit to which is is assigned.
- () This application is in the Petition and/or Finance area. Applications Division cannot process this file until it is returned to the Group Art Unit.
- () This application is in the wrong location. Please foward this application to
